

Essential Titles for Undergraduates

FIRST PROF 2019

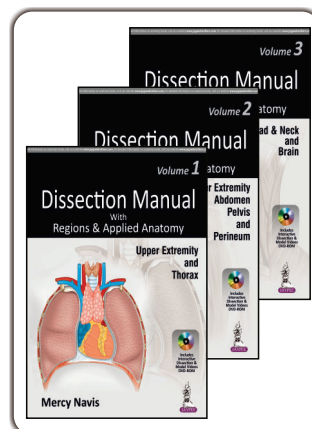

**Inderbir Singh's
Human Embryology**
V Subhadra Devi

11th Edition

Full Colour | Paperback | 11/e, 2018
8.5" x 11" | 378 pp | 9789352701155

Key Features

- New chapters are added such as Genetics and Molecular Biology in Embryology, Skeletal System and Muscular System, Clinical Application of Embryology and Embryology Ready Reckoner.
- Richly illustrated with new simplified figures, 3D images and modified figures.
- Clinical images of various fetal anomalies along with tables and flowcharts.
- Incorporation of case scenarios with embryological explanation.
- Review questions for each chapter.

**Dissection Manual
With Regions & Applied Anatomy
(3 Volumes)**
Mercy Navis

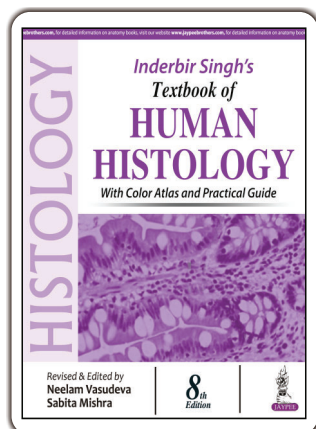

Full Colour | Paperback | 1/e, 2018
8.5" x 11" | Vol.1: 192 pp
Vol.2: 206 pp | Vol.3: 198 pp

Vol. 1: 9789386150363
Vol. 2: 9789386150370
Vol. 3: 9789386150387

Key Features

- A three-volume practical guidebook that provides theoretical foundation with the complete information about the basic anatomy of different regions of the body
- Explains well about dissection parts and clinical significance of the major structures like muscles, nerves, blood vessels and joints
- Organizes the chapters of each volume with Learning Objectives, Introduction, Bony Landmarks, and Applied Anatomy (Clinical)
- Presents the text in simple language with many well-designed illustrations.

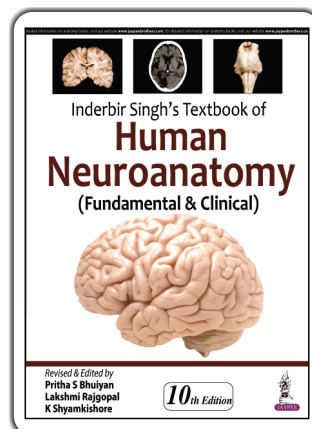

**Inderbir Singh's Textbook of
Human Histology**
With Colour Atlas and Practical Guide
Neelam Vasudeva &
Sabita Mishra

8th Edition

Full Colour | Paperback | 8/e, 2016
8.5" x 11" | 354 pp | 9789385999321

Key Features

- Thoroughly edited and revamped contents.
- A Colour Atlas with more than 80 slides of histological importance.
- Histological Plates have been added in each chapter.
- Plates are accompanied with photomicrographs, line drawings and salient feature.
- Clinical Correlation and Pathological Correlation have been added.
- Added information given on various topics.
- A new chapter on Light Microscopy and Tissue Preparation has been added.

**Inderbir Singh's Textbook of
Human Neuroanatomy**
(Fundamental & Clinical)
Pritha S Bhuiyan, *et al.*

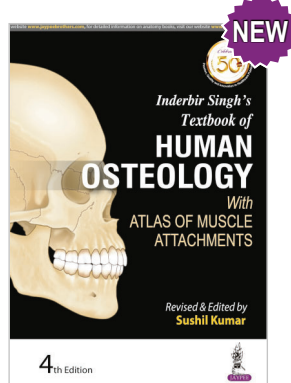

10th Edition

Full Colour | Paperback | 10/e, 2018
8.5" x 11" | 294 pp | 9789352701483

Key Features

- Photographs of Brain Specimens (Dissection) added in the eight plates.
- More line diagrams, tables and new flowcharts have been added.
- Correlation of line diagrams with pictures of plastinated sections and brain specimens.
- Anatomical basis of a lot of neurological conditions have been highlighted in boxes.
- Origin, course, distribution and clinical anatomy of each cranial nerve added.
- Each chapter contains clinical cases, MCQs, short and long answer questions collated from various university examinations.

IB Singh's Textbook of Human Osteology With Atlas of Muscle Attachments Sushil Kumar

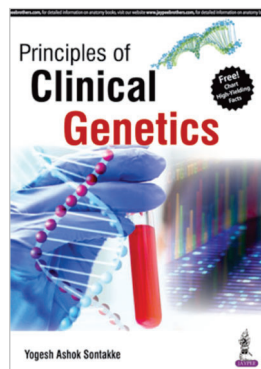

Full Colour | Paperback | 4/e, 2019
6.75" x 9.5" | 374 pp | 9789352705368

Key Features

- Thoroughly revised, edited and updated text and figures
- Amplified supported with relevant diagrams and numerous tables.
- Included color plates at the end of each section for revision of muscle attachments and functional anatomy
- Brief account of important clinical considerations with images at the end of each chapter.
- Provided questionnaire to prepare students for viva-voce examinations.

Principles of Clinical Genetics Yogesh Ashok Sontakke

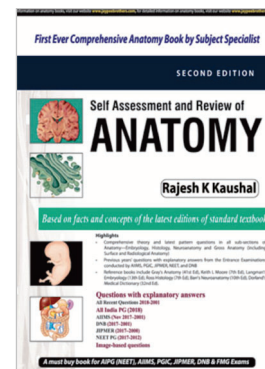

Full Colour | Paperback | 1/e, 2018
6.75" x 9.5" | 140 pp | 9789352701889

Key Features

- The book presents simple and concise text for quick recapitulation during examination.
- Includes clinical case scenario and their solutions in every chapter.
- Highlights the National Eligibility Cum Entrance Test (NEET) markings for multiple choice questions for postgraduate entrance examinations.
- Highlights Viva markings for oral examination.
- Free! Chart on High-yielding facts.
- Includes flow charts and colored diagrams for easy explanations.

Self Assessment and Review of Anatomy Rajesh K Kaushal

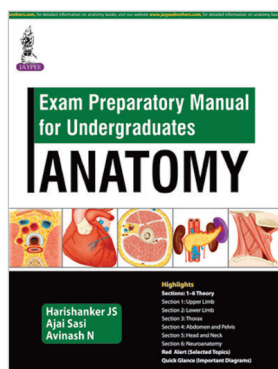

Full Colour | Paperback | 2/e, 2018
8.5" x 11" | 646 pp | 9789352704415

Key Features

- Comprehensive theory and latest pattern questions in all sub-sections of Anatomy.
- Previous years' questions with explanatory answers from the entrance examinations conducted by AIIMS, PGIC, JIPMER, NEET, and DNB.
- Reference books include Gray's Anatomy (41st Ed), Keith L Moore (7th Ed), Langman's Embryology (13th Ed), Ross Histology (7th Ed), Barr's Neuroanatomy (10th Ed), Dorland's Medical Dictionary (32nd Ed).
- Questions with explanatory answers of all recent questions of 2018-2021.

Exam Preparatory Manual for Undergraduates Anatomy Harishanker JS, et al.

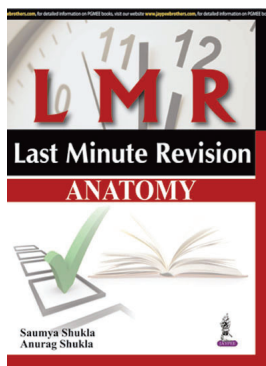

Full Colour | Paperback | 1/e, 2017
8.5" x 11" | 506 pp | 9789385999178

Key Features

- Most probable theory questions are given in Appendix 1 for university exam preparation.
- Important diagrams are given in Appendix 2.
- Clinical and applied Anatomy is covered.
- MCQs are given at the end of each chapter.
- Clinical correlations are incorporated.
- Mnemonics are given for easy learning and retention.
- Authentic references from standard textbooks.

LMR: Last Minute Revision Anatomy Saumya Shukla & Anurag Shukla

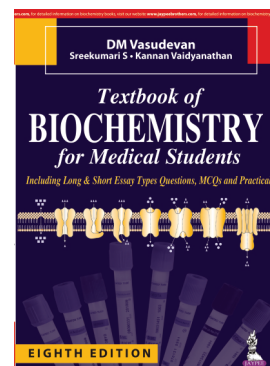

Single Colour | Paperback | 1/e, 2015
8.5" x 11" | 320 pp | 9789351528975

Key Features

- Easy to learn guide on Anatomy.
- Includes numerous MCQs with explanatory answers.
- Contains flowcharts, tables for easy comprehension.
- Written in simple language and presented systematic.
- Useful book for undergraduate MBBS students.
- Also useful for All India, DNB, PGI, FMGE and other state level examinations.

Textbook of Biochemistry for Medical Students DM Vasudevan, et al.

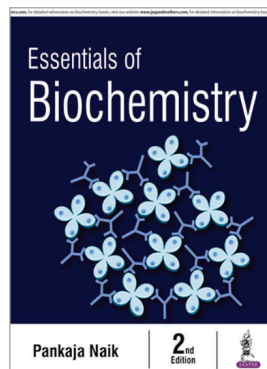

Full Colour | Paperback | 8/e, 2016
8.5" x 11" | 734 pp | 9789385999741

Key Features

- More student-friendly edition.
- Content has been made lesser in this textbook.
- 30% of the needless content has been reduced.
- Chapters on clinical chemistry have been updated.
- Clinically relevant points and clinical case studies are added.
- Includes essay questions, short notes, MCQs and viva voce type questions.
- Addition of about 1000 figures, 200 tables and 200 boxes.

Essentials of Biochemistry

Pankaja Naik

2nd Edition

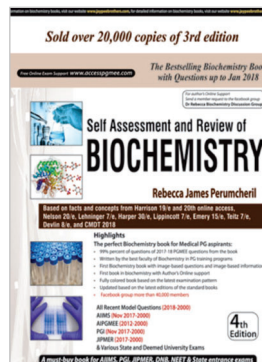

Full Colour | Paperback | 2/e, 2017
8.5" x 11" | 524 pp | 9789386150301

Key Features

- An exam oriented textbook for medical, dental, physiotherapy, occupational therapy, nursing and other health sciences students.
- Additional information has been given in the form of new diagrams, tables, and flowcharts.
- New colored boxes are provided to add more information into the text.
- Inclusion of exam questions in the form of long answers (LAQs), short answer questions (SAQs), new multiple choice questions (MCQs), and clinical case studies.

Self Assessment and Review of Biochemistry

Rebecca James Perumcheril

with Full Colour
Image Based
Questions

4th Edition

Full Colour | Paperback | 4/e, 2018
8.5" x 11" | 480 pp | 9789352704200

Key Features

- The bestselling Biochemistry book with latest questions and image based questions up to Jan 2018.
- Based on facts and concepts from Harrison 19/e and 20th online access, Nelson 20/e, Lehninger 7/e, Harper 30/e, Lippincott 7/e, Emery 15/e, Teitz 7/e, Devlin 8/e, and CMDT 2018.
- 99% of 2017-18 PGME questions came from this book.
- Includes all recent questions (2018-2000).

Practical Biochemistry

Geetha Damodaran K

2nd Edition

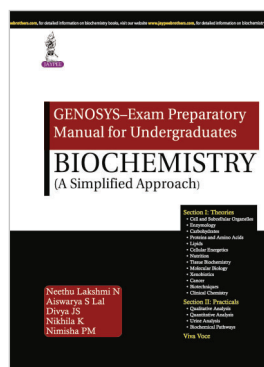

Full Colour | Paperback | 2/e, 2016
6.75" x 9.5" | 260 pp | 9789351529941

Key Features

- The contents of the book have been organized.
- Contains well-illustrated real images of tests and instruments.
- Organizes in a practical examination-oriented format.
- Questions are provided in every chapter for better comprehension.
- Most of the diagrammatic figures are replaced by real images in Qualitative Analysis and Spotters sections.

GENOSYS – Exam Preparatory Manual for Undergraduates Biochemistry (A Simplified Approach)

Neethu Lakshmi N, et al.

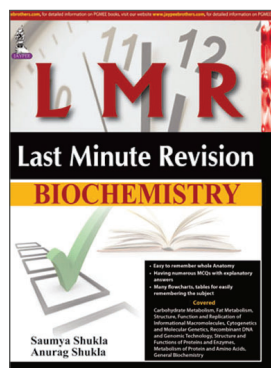

Single Colour | Paperback | 1/e, 2015
8.5" x 11" | 194 pp | 9789351526360

Key Features

- Examination-oriented preparatory manual for biochemistry.
- Clinical correlations are incorporated at the end of appropriate topics.
- Practicals are covered in a systematic manner.
- Includes viva voce and multiple choice questions.
- Separate chapter on biomechanical pathways for better understanding.
- Enriched with lucid language, illustrations, flowcharts and tables.
- Written primarily for undergraduate MBBS students.

LMR: Last Minute Revision Biochemistry

Saumya Shukla & Anurag Shukla

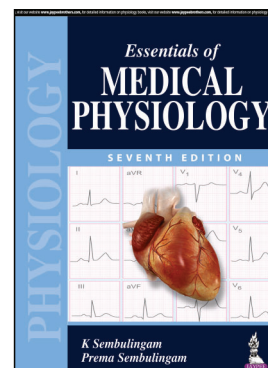

Single Colour | Paperback | 1/e, 2015
8.5" x 11" | 274 pp | 9789351528968

Key Features

- Written in simple language and presented systemic.
- Includes numerous MCQs with explanatory answers.
- Contains flowcharts, tables for easy comprehension.
- Useful book for undergraduate MBBS students.
- Also useful for All India, DNB, PGI, FMGE and other state level examinations.

Essentials of Medical Physiology

K Sembulingam & Prema Sembulingam

7th Edition

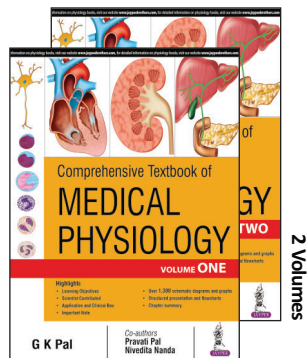

Full Colour | Paperback | 7/e, 2016
8.5" x 11" | 1067 pp | 9789385999116

Key Features

- Enriched with Boxes containing important facts.
- Inclusion of more tables, flow charts and descriptive diagrams.
- List of topics given at the beginning of each chapter.
- Illustration of each chapter with colour diagrams and appropriate colour blends.
- Probable questions given at the end of each section.
- A real state-of-the-art book with approximately 600 colour diagrams.

Comprehensive Textbook of Medical Physiology

G K Pal

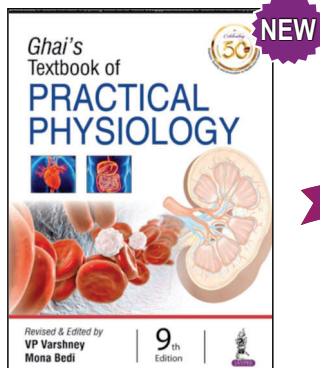

Full Colour | Paperback | 1/e, 2017
8.5" x 11" | 1398 pp | 9789386261083

Key Features

- Learning Objectives given in the beginning of each chapter.
- Scientist Contribution boxes included.
- Applied aspects of the topics are highlighted in Application Boxes.
- Patient and disease related concepts are highlighted in Clinical Boxes.
- Some important and useful facts are emphasized as Important Note(s).
- All the major concepts are simplified and summarized in the flowcharts.
- All the important topics end with a Chapter Summary.

Ghai's Textbook of Practical Physiology

VP Varshney & Mona Bedi

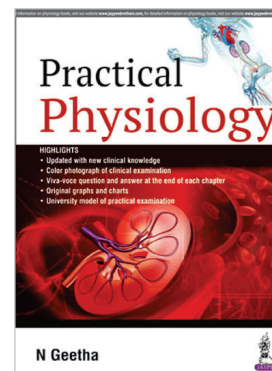

Full Colour | Paperback | 9/e, 2019
8.25" x 10.5" | 376 pp | 9789352705320

Key Features

- Updated as per recent Medical Council of India (MCI) guidelines.
- Includes actual graphs of amphibian practicals.
- Each experiment contains student objectives, introduction, principle, apparatus, procedure, observations, precautions, and results.
- Objective Structured Practical Examination (OSPE) added at the end of each practical.
- Notes/Comments are highlighted in colored Boxes.
- A new section on Sample Problem Solving has been added.

Practical Physiology

N Geetha

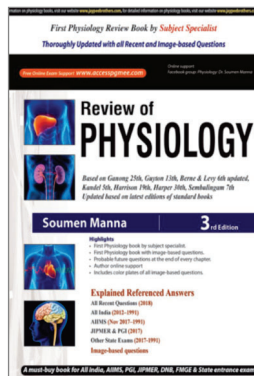

Full Colour | Paperback | 1/e, 2017
6.75" x 9.5" | 404 pp | 9789386150349

Key Features

- Clinical conditions have been explained with full color photographs and illustrations.
- Clinical examination follows the basic pattern of examining the patients through a systematic approach.
- Demonstrates practical on animal experiments with graphs and records of the same.
- Viva-voce questions with answers are included at the end of each experiment.
- Scheme of practical examination with sample questions are provided in the last chapter.

Review of Physiology

Soumen Manna

With Full Colour
Image-Based
Questions

3rd Edition

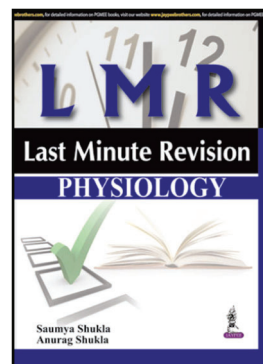

Two Colour | Paperback | 3/e, 2018
6.75" x 9.5" | 628 pp | 9789352704163

Key Features

- First physiology review book by subject specialist.
- Thoroughly updated with all recent and image-based questions.
- MCQs of NEET pattern and AIIMS, PGI, JIPMER pattern have been separated into different groups.
- Based on latest editions of standard books, such as Ganong 25th, Guyton 13th, Berne & Levy 6th updated, Kandel 5th, Harrison 19th, Harper 30th, and Sembulingam 7th.
- Explained referenced answers of all recent questions of 2018.

LMR: Last Minute Revision Physiology

Saumya Shukla & Anurag Shukla

Single Colour | Paperback | 1/e, 2015
8.5" x 11" | 314 pp | 9789351528951

Key Features

- Easy to learn guide on Physiology.
- Includes numerous MCQs with explanatory answers.
- Contains flowcharts, tables for easy comprehension.
- Written in simple language and presented systematic.
- Useful book for undergraduate MBBS students.
- Also useful for All India, DNB, PGI, FMGE and other state level examinations.
